This Hudl Master Subscription Agreement (this “**MSA**”) is entered into between Hudl and the customer identified on the Order Form or SOW (“**Customer**”), effective as of the latest date beneath the signatures in the first Order Form signed by both parties that references this MSA (“**Effective Date**”). Capitalized terms are defined in Section 13 and elsewhere in this Agreement. This MSA and all Order Forms govern Customer’s access to and use of the Products and Professional Services. This MSA and all SOWs govern any Professional Services. If there are any conflicts between this MSA, an Order Form and/or an SOW, the following order of precedence applies: SOWs prevail over Order Forms solely with respect to the subject matter of the SOW; and Order Forms and SOWs prevail over this MSA solely with respect to their respective subject matter. The MSA and any Order Forms and SOWs entered into pursuant to this MSA shall be referred to as this “**Agreement**”.

**Purchase from Reseller:** If Customer purchases or uses Products made available through an authorized reseller (“**Reseller**”), Customer’s use of any Hudl products or services will be subject to the terms of this MSA, and all fees payable for such use shall be payable pursuant to the terms set forth in the Reseller Order Form that references this MSA.

The terms and conditions and pricing set out in this Agreement shall be deemed Hudl's Confidential Information.

- 6.3. Use and Disclosure Restrictions. Neither party shall use the other party's Confidential Information except as necessary for the performance of its obligations or exercise of its rights under this Agreement and shall not disclose such Confidential Information to any third party except to its Affiliates, employees and subcontractors that need to know such Confidential Information for the purpose of performing this Agreement ("**Representatives**"), provided that each such Representative is subject to confidentiality obligations that are at least as protective as those set forth herein. Each party shall use commercially reasonable efforts to maintain the confidentiality of all such Confidential Information in its possession or control, but in no event less than the efforts that such party ordinarily uses with respect to its own proprietary information of similar nature and importance and shall be responsible for any of its Representatives' non-compliance with the terms of this Section 6. The foregoing obligations shall not restrict either party from disclosing the terms and conditions of this Agreement and/or any Confidential Information of the other party: (a) as required by Applicable Law, including applicable public record laws, provided that, to the extent permitted by Applicable Law, the party required to make such a disclosure gives reasonable notice to the other party to contest such order or requirement; (b) on a confidential basis to its legal or financial advisors; (c) pursuant to any disclosure process, procedure or obligation under any securities exchange on which the capital stock of that party and/or any of its Affiliates may be listed from time to time; and/or (d) on a confidential basis to present or future providers of venture capital and/or potential private investors in or acquirers of such party, provided that each such party is subject to a written agreement that includes binding use and disclosure restrictions that are at least as protective as those set forth herein.
- 6.4. Injunctive Relief. A breach, or threatened breach, by a party of its obligations under this Section 6 would result in irreparable harm for which the other party would not have an adequate remedy at law and shall entitle a party to seek injunctive relief, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy, in addition to any other remedy to which it may be entitled.
- 6.5. Trade Secrets. Notwithstanding any other provisions of this Agreement, a receiving party's obligations under this Section 6 with respect to any Confidential Information that constitutes a trade secret under any Applicable Laws will continue until such time, if ever, as such Confidential Information ceases to qualify for trade secret protection under one or more such Applicable Laws other than as a result of any act or omission of the receiving party or any of its Representatives.

- 7.3. Termination. Without affecting any other right or remedy available to it, either party may terminate this Agreement for cause (a) if the other party materially breaches this Agreement (i) upon written notice if such breach is incapable of cure or (ii) if such breach is capable of cure, upon 30 days' written notice to the other party of such breach if the breach remains uncured at the expiration of the notice period; or (b) immediately if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation, assignment for the benefit of creditors, or any event which is analogous to any of the foregoing events.

- 7.4. Effect of Termination. If Customer terminates this Agreement pursuant to Section 7.3, Hudl will refund Customer on a pro rata basis for any prepaid Fees for the remainder of the applicable Subscription Term, calculated from the effective date of termination. If Hudl terminates this Agreement pursuant to Section 7.3, Customer will pay any unpaid Fees under any Order Form and any SOW, which Fees shall become immediately due and payable, to the extent permitted by Applicable Law. In no event will Customer be relieved of its obligation to pay outstanding Fees for the period prior to the effective date of termination. Termination of this Agreement will also terminate all outstanding Order Forms and SOW hereunder without further notice. Upon termination, Customer shall immediately cease use of all Products and Content and Hudl may disable all Customer and Authorized User access to Products.
- 7.5. Survival. The licenses in Sections 1.4, 3.4, and 3.6 and Sections 5.7, 6, 8.2, 10.4, 11, 12 and those additional Sections or sub-Sections that expressly or by their nature or by implication survive termination, shall survive termination of this Agreement.

Neither party is bound by such change request unless an amendment or change order to the applicable SOW is signed by authorized representatives of both parties. Hudl may use subcontractors to deliver Professional Services but will remain responsible for the performance of those Professional Services under the terms and conditions of this Agreement.

- 10.1. Hudl's Indemnity. Hudl will defend Customer against any claim, demand, suit or proceeding made or brought against Customer by a third party alleging that the Services, Software, and/or Hudl Hardware (the "**Indemnified Products**") infringes, misappropriates or otherwise violates such third party's intellectual property rights, and will indemnify Customer from any damages, attorney fees and costs finally awarded against Customer or agreed in settlement by Hudl resulting from such claim. If Customer's use of the Indemnified Products is, or in Hudl's opinion is likely to be, subject to an infringement claim, Hudl may, at its sole option and expense, either: (a) replace or modify such Indemnified Product(s) so that they are non-infringing and substantially equivalent in function to the enjoined Indemnified Product(s); (b) procure for Customer the right to continue using the Indemnified Product(s) under the terms of this Agreement; or, if options (a) and (b) are not commercially reasonable, (c) terminate this Agreement or the applicable Order Form and refund to Customer the unused Fees that Customer has prepaid for the applicable Indemnified Product(s). The foregoing indemnification obligation of Hudl will not apply to the extent the applicable claim is attributable to (1) the modification of the Indemnified Product by any party other than Hudl or is based on Customer's specifications or requirements; (2) the combination of the Indemnified Products with products or processes not provided by Hudl; (3) any use of the Indemnified Products in material breach of this Agreement; or (4) any Indemnified Product(s) provided as a free trial or under an Order Form for which there is no charge.
- 10.2. Customer's Indemnity. To the extent permitted by Applicable Law, Customer will defend Hudl and its Affiliates against any claim, demand, suit or proceeding made or brought against Hudl by a third party alleging that (a) the Customer Data; or (b) Customer's broadcast or redistribution of the Content or any use of the Content other than internal business use in the professional and/or amateur sport industry, infringes, misappropriates or otherwise violates such third party's Intellectual Property Rights, and will indemnify Hudl from any damages, attorney fees and costs finally awarded against Hudl or agreed in settlement by Customer resulting from such claim.
- 10.3. Conduct of Claims. In the event of any potential indemnity obligation under this Section 10, the indemnified party will (i) promptly notify the indemnifying party in writing of the claim, (ii) allow the indemnifying party the right to control the investigation, defense and settlement (if applicable) of such claim at the indemnifying party's sole cost and expense; provided that the indemnified party may engage its own legal counsel at the indemnified party's sole cost and expense, and (iii) upon request of the indemnifying party, provide all necessary cooperation at the indemnifying party's expense. Failure by the indemnified party to notify the indemnifying party of a claim under this Section 10 will not relieve the indemnifying party of its indemnity obligations, except that the indemnifying party is not liable for any litigation expenses that the indemnified party incurred prior to the date on which notice was given or for any damages and/or costs resulting from any material prejudice caused by the delay or failure to provide timely notice to the indemnifying party. The indemnifying party may not settle any claim that would bind the indemnified party to any obligation (other than payment covered by the indemnifying party or ceasing to use the infringing materials) or require any admission of fault by the indemnified party, without the indemnified party's prior written consent, such consent not to be unreasonably withheld, conditioned or delayed. The indemnifications obligations under this Section 10 will not apply if the indemnified party settles or makes any admission with respect to a claim without the indemnifying party's prior written consent.
- 10.4. Sole Remedy. This Section 10 sets forth each party's sole remedy with respect to any claim by a third party with respect to intellectual property infringement or misappropriation.
